

# Building Intentional Relationships @ GWAC and in the community

## Read and reflect and discuss:

Matthew 9:35-38

“The call of Jesus is to send out workers into his harvest field and to do as Jesus did.”

“To Jesus, loving, caring relationships were not a strategy — they were a way of life.”

Three simple words to help build relationships in the community

### 1. Prayer

- a. All of us will know people in our network who might not immediately be interested in hearing about Jesus. And what we can do is pray.
- b. What steps can you take to pray with people?

### 2. Care

- a. By ministering to the needs of others we can show compassion that Jesus has for all people.
- b. What practical ways can you demonstrate God’s love in action?

### 3. Share

- a. The more and better we understand what Jesus has done for us, the better equipped we will be to share not only our story, but his story in our conversations with others
- b. How well equipped are you to bring your story and Christ’s story into your conversations with others?
